

Endless GAMES

*Endless Inspiration
for Fun & Games
in 2006*

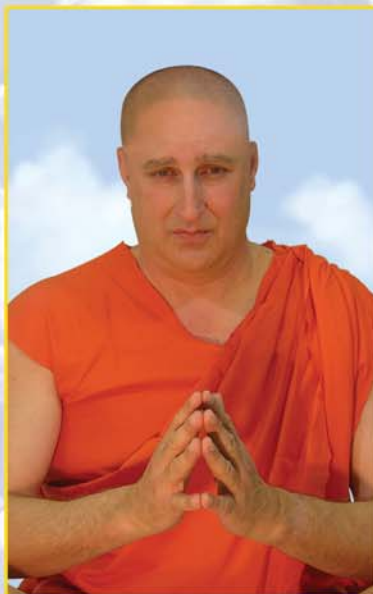

Kevin McNulty

Its all about how you look! You have to walk the walk, talk the talk, *AND* have the hair. It's *INSPIRATION*- not perspiration-that counts. If you want to get ahead, pay attention *TO* your head, and, of course, on top of your head is your hair. Without my hair I would not be *HERE*. I would be *THERE*- philosophically thinking of course.

Most inspiring famous quote:

"Hair Today- Gone Tomorrow".

Mike "Bhundi" Gasser

The essence of my life is the lotus flower of unending reflection and self renewal of which I learned while wandering the streets of Oakland from 1966-1985. When I decided to become a mystical gamesman, I decided on a different path than that of my UNmystical partner Kevin.

That's why I shave my head and hum all day.

Most famous inspiring quote:

"You can achieve peace and quiet by locking yourself in a closet".

Brian Turtle

Hi- I'm Brian and I believe in *YOU*. *YOU* as a buyer, *YOU* as a game affection-ado, and *YOU* as a valued human being. I'm into people and their unlimited potential. By being a mentor to my following, I have grown along with them into the fountain of perfection I am today.

Most famous inspiring quote:

"You can be almost anything you want to be- except me".
