

# HORROR TRIVIA

## INSTRUCTIONS

For 2 or more Players or Teams. Ages 13 and up

### Contents:

150 game cards and 1 Instructions sheet

### Objective:

To avoid becoming a casualty, you must answer multiple questions correctly and collect three different weapon cards.

### Set Up:

Place the question card deck (answer-side-down) within reach of all players. The player who is voted most likely to die first in a horror movie answers the first question. Any other player may be the question-reader to start the game.

### Playing the Game

When all players are ready, the reader draws the top card and reads the first question aloud. The player/ team in play gets one guess to answer correctly. If the answer is incorrect, the turn is over, and the game continues with the next player/ team and a new card. Should the player/ team answer correctly, the reader then asks the second question on the card. Again, an incorrect answer results in the turn being over. Should the player/ team answer **BOTH QUESTIONS CORRECTLY**, they win that question card. The game then continues to the next player/ team on the left.

NOTE: Each question card has a weapon symbol in the top right corner:  
MACHETE: AXE: CHAINSAW: CRUCIFIX/CROSS: CROSSBOW:

### Winning the Game

The game continues until one player/team has collected 3 **DIFFERENT** weapon cards. That player/team has survived to star in the sequel. Congratulations! Everyone else has now suffered a horrific fate by the hand of evil.
