

# Bullies!

DICE GAME!

**Item # 420**  
**Ages: 6 to adult**

**Components:**

- 1 PBR Dice Cup *Tum-BULL-er*
- 2 *Bullies* Bull Dice
- Instructions
- Score pad

## **Play:**

Place the Bullies in the *Tum-BULL-er* and give them a shake.

Spill them out on the table and score points based on how they land.

Just like the top cowboys in the PBR, you want to earn a “90 point ride”.

So keep rolling until you’ve either hit 90 or better, or you’ve been “bucked off”. Once you reach 90 points any doubles will result in a “buck off” so use caution when you roll!

## **Scoring:**

### **Incredi-BULL:**

BULLY lands on tail

25 points

### **Pile Driver:**

BULLY lands balanced on horns and snout

20 points

### **Smashmouth:**

BULLY lands balanced on snout and feet

15 points

**STAMPEDE:**

BULLY lands on feet.

10 points

**BULL Dozer:**

BULLY lands on back

10 points

**E-Z Rider:**

BULLY lands on side  
(brand up)

5 points

**Terri-BULL\*:**

BULLY lands on side  
(brand down)

0 points

Add each score value to determine the value of each roll. Use the score pad to keep track of each player's scores.

All DOUBLES (except the double Terri-BULL) are scored DOUBLE the added value.

Example: 2 Pile Drivers would score 80 points.

## **BUCKING BULLS:**

\*Rolling a double Terri-BULL results in being bucked off the bull.

You lose all points accumulated up until that point in the round and play proceeds to the next player.

Once you've scored a ride of 90 points or higher, you may continue to roll, but be warned. **All doubles now result in getting bucked off!**

## **THE PERFECT RIDE:**

Rolling a double Incredi-BULL anytime before you reach 90 points is considered The Perfect Ride. You score 100 points for the roll and automatically win that ride!

## **WINNING:**

The player with the best total score after three rides (rounds of rolling) is declared the overall winner.
