

## **B.Q. Cards:**

**Plus Cards (+1, +2, +3, +4, or +5)** – allow the player to raise the number of steps in which he must link the Base Actor to Kevin Bacon by the number shown, not to exceed six.

**Hint Cards** – allow player to hear the name of a movie in which the Base Actor appeared. The Hint must be read to the player or playing team by the opponent or opposing team. Hints are found beneath the Actor's name on the Actor Cards.

**Steal Cards** – allow the opponent or opposing team to steal the player's actor if they can produce a shorter link.

**Additional B.Q. Cards** – are obtained by either rolling doubles on the Standard Dice, or when you land on a space outlined by a red circle or diamond on the Gameboard.

After a B.Q. Card is played, it should be placed at the bottom of the stack of B.Q. Cards on the Gameboard.

## **Winner:**

The first player or team to reach the Finish space on the Gameboard, not necessarily by exact count, wins the game.

## **Alternative Play:**

To make the game a little simpler for beginners, remove the Black Die from play. Play the same as above, but instead of linking the Base Actor to Kevin Bacon in a specified amount of steps, try to link them in as few steps as possible.
